COVID-19 TRAVEL POLICY
2020-2021

HCCS has implemented a travel policy covering all HCCS Faculty, Staff, and students. HCCS's travel policy follows the State of New York's mandatory travel restrictions and additional guidance issued by the Centers for Disease Control and Prevention. Accordingly, if you have traveled outside of the United States or to a state that is designated by the State of New York as a state with significant community spread, you must quarantine for 14 days before you return to HCCS. The State of New York is designating states as having significant community spread when the state has a seven day rolling average of positive COVID-19 tests in excess of 10% or the number of positive cases exceed 10 cases per 100,000 residents.

In light of HCCS's new travel policy, if you have traveled or are traveling this summer, we ask that you kindly return to NY in a timely manner so that you can begin on your first official day back to school.

Faculty & Staff: August 31, 2020
Students: September 10, 2020
